THE NEW WAY TO ENJOY SHISHA

At MISHA, we believe that pleasure should come in its purest and simplest form.

That's why we seek to create the ultimate shisha experience with the finest flavors for you to savor as you indulge.

Using gourmet recipes, we blend only the most luxurious ingredients in a patented design never before seen in 1,000 years of shisha tradition. Our innovative MISHA capsule is made from extra-strong aluminium, which keeps the shisha inside at optimum temperatures that heat and don't burn.

The resulting taste is fabulously smooth... and provided in generous portions that last for hours of enjoyment.

MISHA is clean, fresh, and easy to prepare... the ultimate shisha indulgence.

The background is a soft, out-of-focus green, suggesting a natural setting.
